

Services:

- NO FUEL! Winnemucca, Reno, and Susanville have fuel.
- Filter/Funnel and barrel pump available.
- Air pump, jumper cables, tools available if needed.
- Spray bottle with vinegar/water solution available for windshield cleaning (bring your own rags).

Tiedowns:

- Bring your own rope.
- Rebar, sledge hammers, and rebar pullers available.
- Frequent flyers should choose tiedowns further out from gate to minimize dust.
- On departure, LEAVE YOUR TIEDOWN NUMBER.
- Leave no trace of your camp (except tiedown number).

Miscellaneous:

- No phone, no pool, no pets (pagers and cell phones do not work out here).
- Taxi with care, don't dust your neighbors.
- No entry without a ticket (or proper wristband and ticket stub) No exceptions!
- Landings are "clothing optional".
- Nearby hot springs are OFF LIMITS.
- All participants asked to contribute 2 hours general cleanup in addition to your own camp.
- No public trash receptacles, take your garbage.

Very Important:

- If you're planning on flying often please park at the end of a row (closer to the runway).
- Check density altitude before departing.
- Fly the numbers for your aircraft.
- When landing fly a stabilized approach.
- No depth perception when flying on the playa.
- Beware of dust devils.
- No FSS reception below 8,000 ft msl. Close flight plans prior to landing.
